If you wish to participate in the following proceedings, you are prohibited from making a campaign contribution of more than \$250 to any commissioner or alternate. This prohibition begins on the date you begin to actively support or oppose an application before LAFCO and continues until three months after a final decision is rendered by LAFCO. No commissioner or alternate may solicit or accept a campaign contribution of more than \$250 from you or your agent during this period if the commissioner or alternate knows, or has reason to know, that you will participate in the proceedings. If you or your agent have made a contribution of more than \$250 to any commissioner or alternate during the twelve (12) months preceding the decision, in the proceeding that commissioner or alternate must disqualify himself or herself from the decision. However, disqualification is not required if the commissioner or alternate returns the campaign contribution within thirty (30) days of learning both about the contribution and the fact that you are a participant in the proceedings.

Pursuant to Government Code Sections 56700.1 and 81000 et seq., any person or combination of persons who directly or indirectly contribute \$1,000 or more in support of or in opposition to a change of organization or reorganization that has been submitted to Santa Clara County LAFCO and will require an election must comply with the disclosure requirements of the Political Reform Act of 1974 which apply to local initiative measures.
